"Keep It Dark"

Of this side-splitting farce comedy which will be produced at Ferguson's theatre, Monday evening Feb. 8th, by Bryant and Richmond and their jolly company of sixteen farceurs, the McK. spirit Journal, of Jan. 16th has the following to say: "Talk about fun and hearty laughter, evoked by true artists in their specialties, and one found oceans of it last night at White's opera house. Bryant is a whole show within himself, and his comic antics were greeted with wild and long continued applause from all parts of the house. 'Keep It Dark,' as an over-acted in the programme, was intended for laughing purposes, and the purpose was certainly effected last night, and the ridiculous were aroused to their full extent.

From the Pacific.

Judge A. P. Overton, of the Supreme Court of California, President of Santa Rosa Savings Bank, and Director of the Home for Feeble-Minded Children, is one of the most prominent men on the Pacific coast. As a man he has the confidence of every one, and as a judge he is held in universal esteem. A short time ago his Honor wrote that he had been induced to purchase Dr. Miles' Restorative Nervine for a lady who had been subject to spasms for 24 years. It gave the best of satisfaction and did "more good in three months than other remedies had done in three years! The patient is greatly improved, though it was evidently a desperate case. Dr. Miles' Nervine and also his New Heart Cure are excellent remedies. They may be sold at all respectable drug stores.

The Ladies.

The pleasant and perfect safety with which ladies may use the California liquid laxative Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the pack.

Parcels Post Convention.

WASHINGTON, Feb. 4.—Sir Julian Pauncefote, the British Minister, accompanied by the Secretary of the Legation, called upon Postmaster-General Wainwright yesterday and signed a parcels post convention between the United States and British Guiana to take effect on April 1. The convention is similar to those in operation between the United States and other foreign countries.

The Suit Dismissed.

NEW YORK, Feb. 4.—The suit against John Hoy, ex-President of the Adams Express company, has been dismissed in the Supreme Court. The suit was brought to recover \$100,000 claimed to be due Henry C. Sherbourne as his share in a scheme by which certain New England express companies were to be bought in by the Adams Express company.
